

MILAN PANIC | TEHNICIAN OF COMPUTER SCIENCE

milpan99@hotmail.com | PROTE ILIJE JOVANOVIĆA 23 GRADISKA 78400, BIH/RS

I'm interested in computer science, music, sport and fantasy literature. Computers first appeared in my life when I was three. At first, I was just playing computer games, but some time later, I noticed that I could do a lot more things with the computer, for example programming. Now, I can already program in C, C++, HTML and CSS.

Education

Student FACULTY OF ELECTRICAL ENGINEERING October 2018 - -

Computers and IT - Software Engineering

BASIC COURSE OF HTML & CSS July 2018 - September 2018

Introduction of HTML & CSS programming languages.

TEHNICIAN OF COMPUTER SCIENCE Tehnican High School September 2014 - May 2018

Mathematics , Computer science

Basics of electrical engineering

Automatics

Electronics

Programming and programming languages

Computer networks

Databases

Digital technology

English language

Computer components

Skills

Programming

I work in programming languages: HTML & CSS, Pascal, C, C++. I also had experience with MySQL and Microsoft Access.

Software

The architecture of computers and basic network protocols

Basics of SQL (Structured Query Language) and designing relational databases;

Technical

Diagnosing and removing failures on computer components

Networking computers

Installing operating systems, programs and I set up the Internet

Social

I have always been good at sports. I like playing soccer, running and swimming. My favorite intellectual game is chess, but I have never played it professionally. Also I watch a number of sci-fi, action and fantasy movies and television shows or playing video games.

I like to be nice to others and I try to help as much as I can!

Other skills

Self-Reliance, Attention to Details, Recognition of Stupidity

Abstract Thinking, Strong Memory, Communication and Empathy, Patience

Languages

Mother tongue: Serbian

Other Languages: English, German
